Dear Applicant,

Thank you for your interest in Larry Tod Place.

We are a seniors' building providing affordable independent living accommodation.

We ask that you complete the following application and provide the required documentation for us to complete the process of approving you for a one-bedroom unit.

Please note you are applying for a market value unit.

Please include the following documentation with your application.

Thank you in advance and we look forward to possibly seeing you move in and become part of the Larry Tod Place community.
